SECTION 8 ADMINISTRATIVE PLAN

This Administrative Plan is set forth to define the Dearborn Heights Housing Commission's local policies for operation of the housing programs in the context of Federal laws and Regulations. All issues related to Section 8 not addressed in this document are governed by such Federal regulations, HUD Memos, Notices and guidelines, or other applicable law.

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the Dearborn Heights Housing Commission to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Dearborn Heights Housing Commission housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Dearborn Heights Housing Commission will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Dearborn Heights Housing Commission office. In addition, all appropriate written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Dearborn Heights Housing Commission will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Dearborn Heights Housing Commission will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Dearborn Heights Housing Commission housing programs and related services. When such accommodations are granted they do not confer special

treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Dearborn Heights Housing Commission will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Dearborn Heights Housing Commission will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 *COMMUNICATION*

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

1.4 *QUESTIONS TO ASK IN GRANTING THE ACOMMODATION*

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Dearborn Heights Housing Commission will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Dearborn Heights Housing Commission will obtain documentation that the requested accommodation is needed due to the disability. The Dearborn Heights Housing Commission will not inquire as to the nature of the disability.

C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The Dearborn Heights Housing Commission's business is housing. If the request would alter the fundamental business that the Dearborn Heights Housing Commission conducts, that would not be reasonable. For instance, the Dearborn Heights Housing Commission would deny a request to have the Dearborn Heights Housing Commission do grocery shopping for the person with disabilities.
2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Dearborn Heights Housing Commission may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Dearborn Heights Housing Commission retains the right to be shown how the requested accommodation enables the individual to access or use the Dearborn Heights Housing Commission's programs or services.

If more than one accommodation is equally effective in providing access to the Dearborn Heights Housing Commission's programs and services, the Dearborn Heights Housing Commission retains the right to select the most efficient or economic choice.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Commission does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.5 SERVICES FOR NON-ENGLISH SPEAKING PERSONS AND PARTICIPANTS

The Dearborn Heights Housing Commission will endeavor to have bilingual staff or access to people who speak languages other than English to assist non-English speaking families upon demand.

1.6 FAMILY/OWNER OUTREACH

The Dearborn Heights Housing Commission will publicize the availability and nature of the Section 8 Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons, who cannot or do not read newspapers, the Dearborn Heights Housing Commission will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Dearborn Heights Housing Commission will also try to utilize public service announcements.

The Dearborn Heights Housing Commission will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The Dearborn Heights Housing Commission will hold briefings for owners who participate in or who are seeking information about the Section 8 Program as needed to expand the availability of housing choice and to achieve HUD's deconcentration initiative. The briefing is intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities under the program. Emphasis is placed on quality screening and ways the Dearborn Heights Housing Commission helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Dearborn Heights Housing Commission staff.

The Dearborn Heights Housing Commission will particularly encourage owners of suitable units located outside of low-income or minority concentration to attend. Targeted mailing lists will be developed and announcements mailed.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

2. The Dearborn Heights Housing Commission must approve the composition of the assisted family residing in the unit. The family must promptly inform the Dearborn Heights Housing Commission of the birth, adoption or court-awarded custody of a child. The family must request approval from the Dearborn Heights Housing Commission to add any other family member as an occupant of the unit. No other person (i.e., no one but members of the assisted family) may reside in the unit (except for a foster child/foster adult or live-in aide as provided in paragraph (4) of this Section).
3. The family must promptly notify the Dearborn Heights Housing Commission if any family member no longer resides in the unit.
4. If the Dearborn Heights Housing Commission has given approval, a foster child/foster adult or a live-in aide may reside in the unit. The Dearborn Heights Housing Commission has the discretion to adopt reasonable policies concerning residence by a foster child/foster adult or a live-in aide

and defining when the Dearborn Heights Housing Commission consent may be given or denied.

5. Members of the household may engage in legal profit making activities in the unit, but only if such activities are incidental to primary use of the unit for residence by members of the family. Any business uses of the unit must comply with zoning requirements and the affected household member must obtain all appropriate licenses.
6. The family must not sublease or let the unit.
7. The family must not assign the lease or transfer the unit.

H. Absence from the Unit

The family must supply any information or certification requested by the Dearborn Heights Housing Commission to verify that the family is living in the unit, or relating to family absence from the unit, including any Dearborn Heights Housing Commission requested information or certification on the purposes of family absences. The family must cooperate with the Dearborn Heights Housing Commission for this purpose. The family must promptly notify the Dearborn Heights Housing Commission of its absence from the unit.

Absence means that no member of the family is residing in the unit. The family may be absent from the unit for up to 30 days. The family must request permission from the Dearborn Heights Housing Commission for absences exceeding 30 days. The Dearborn Heights Housing Commission will make a determination within 5 business days of the request. An authorized absence may not exceed 180 days. Any family absent for more than 30 days without authorization will be terminated from the program.

Authorized absences may include, but are not limited to:

1. Prolonged hospitalization
2. Absences beyond the control of the family (i.e., death in the family, other family member illness)
3. Other absences that are deemed necessary by the Dearborn Heights Housing Commission

I. Interest in the Unit

The family may not own or have any interest in the unit (except for owners of manufactured housing renting the manufactured home space).

J. Fraud and Other Program Violation

The members of the family must not commit fraud, bribery, or any other corrupt or criminal act in connection with the programs.

K. Crime by Household Members

The members of the household may not engage in drug-related criminal activity or other violent criminal activity or other criminal activity that threatens the health, safety, or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

L. Other Housing Assistance

An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) Federal, State or local housing assistance program.

M. Alcohol Abuse By Household Members

The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

3.0 ELIGIBILITY FOR ADMISSION

3.1 INTRODUCTION

There are five eligibility requirements for admission to Section 8 -- qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security Numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Dearborn Heights Housing Commission screening criteria in order to be admitted to the Section 8 Program.

3.2 ELIGIBILITY CRITERIA

A. Family status.

1. **A family with or without children.** Such a family is defined as a group of people related by blood, marriage, adoption or that live together in an established family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for purposes of determining bedroom size, but are not considered family members for determining income limit.
2. **An elderly family,** which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides
3. **A near-elderly family,** which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;

 - c. One or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.
4. **A disabled family,** which is:

 - 5. A **displaced family** is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
 - 6. A **remaining member of a tenant family**.
 - 7. A **single person** who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family.
- B. Income eligibility
- 1. To be eligible to receive assistance a family shall, at the time the family initially receives assistance under the Section 8 program shall be a family that is:
 - a. An extremely low-income or a very low-income family;
 - b. A low-income family continuously assisted under the 1937 Housing Act;
 - c. A low-income family that meets additional eligibility criteria specified by the Housing Authority;
 - d. A low-income family that is a nonpurchasing tenant in a HOPE 1 or HOPE 2 project or a property subject to a resident homeownership program under 24 CFR 248.173;
 - e. A low-income family or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing.
 - f. A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a HOPE 1 (HOPE for public housing homeownership) or HOPE 2 (HOPE for homeownership of multifamily units) project.

2. Income limits apply only at admission and are not applicable for continued occupancy; however, as income rises the assistance will decrease.
3. The applicable income limit for issuance of a voucher is the highest income limit for the family size for areas within the Housing Commission's jurisdiction. The applicable income limit for admission to the program is the income limit for the area in which the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.
4. Families who are moving into the Dearborn Heights Housing Commission's jurisdiction under portability and have the status of applicant rather than of participant at their initial Housing Commission, must meet the income limit for the area where they were initially assisted under the program.
5. Families who are moving into the Dearborn Heights Housing Commission's jurisdiction under portability and are already program participants at their initial Housing Commission do not have to meet the income eligibility requirement for the Dearborn Heights Housing Commission program.
6. Income limit restrictions do not apply to families transferring units within the Dearborn Heights Housing Commission Section 8 Program.

C. Citizenship/Eligible Immigrant status

To be eligible each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).

Family eligibility for assistance.

1. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
2. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 11.5(K) for calculating rents under the noncitizen rule).

3. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security Number or certify that they do not have one.

E. Signing Consent Forms

1. In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD and the Dearborn Heights Housing Commission to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Dearborn Heights Housing Commission to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and
 - d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

- F. Suitability for tenancy. The Dearborn Heights Housing Commission determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Dearborn Heights Housing Commission will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three

years. If the individual has lived outside the local area, the Dearborn Heights Housing Commission may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Dearborn Heights Housing Commission. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Dearborn Heights Housing Commission's action has expired without a challenge or final disposition of any litigation has occurred.

The Dearborn Heights Housing Commission will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Dearborn Heights Housing Commission will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either of the above record checks, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Dearborn Heights Housing Commission will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with material standard lease terms or any history of drug trafficking.

In addition, if an owner submits a request to the Dearborn Heights Housing Commission for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Dearborn Heights Housing Commission must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the Housing Commission. If the Dearborn Heights Housing Commission receives criminal conviction records requested by an owner, the Dearborn Heights Housing Commission must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Dearborn Heights Housing Commission must notify the owner whether the Housing Commission has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction.

However, except as provided in paragraph (e)(2)(ii) of this section, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner. The Dearborn Heights Housing Commission will charge owners a fee of **\$250** for this service.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the request of the owner. Once again, the information itself will not be disclosed to the owner; the Dearborn Heights Housing Commission will merely apply the criteria the owner establishes. The fee for this service shall be **\$250**.

4.0 MANAGING THE WAITING LIST

4.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation, and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 *TAKING APPLICATIONS*

Families wishing to apply for the Section 8 Program will be required to complete an application for housing assistance. When the waiting list is open, the Dearborn Heights Housing Commission will announce in the legal notices of the newspaper, on local access cable TV, and by contacting local service agencies to announce when and where applications will be accepted.

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the Dearborn Heights Housing Commission jurisdiction, the Dearborn Heights Housing Commission may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants. The Dearborn Heights Housing Commission will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

The completed application will be dated and time stamped upon its return to the Dearborn Heights Housing Commission.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Dearborn Heights Housing Commission to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (734) 455-1888.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information including name, address, phone number, family composition and family unit size, racial or ethnic designation of the head of household, income category, and information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the families pre-application, the Dearborn Heights Housing Commission will make a preliminary determination of eligibility. The Dearborn Heights Housing Commission will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the Dearborn Heights Housing Commission determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

An applicant may at any time report changes (accepted in writing only) in their applicant status including changes in family composition, income, or preference factors. The Dearborn Heights Housing Commission will annotate the applicant's file and will update their place on the waiting list.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Dearborn Heights Housing Commission will ensure that verification of all preferences, eligibility, suitability selection factors are current in order to determine the family's final eligibility for admission into the Section 8 Program.

4.3 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;

- B. All applications will be maintained in order of preference and then in order of date and time of the lottery, as announced in the advertisement of the waiting list of application;
- C. Any contact between the Dearborn Heights Housing Commission and the applicant will be documented in the applicant file.

Note: The waiting list cannot be maintained by bedroom size under current HUD regulations.

4.4 *SPLIT HOUSEHOLDS PRIOR TO VOUCHER ISSUANCE*

When a family on the waiting list splits into two otherwise eligible families due to divorce or legal separation, and the new families both claim the same placement on the waiting list, and there is no court determination, the Dearborn Heights Housing Commission will make the decision taking into consideration the following factors:

- A. Which family member applied as head of household.
- B. Which family unit retains the children or any disabled or elderly members.
- C. Restrictions that were in place at the time the family applied.
- D. Role of domestic violence in the split.
- E. Recommendations of social service agencies or qualified professionals such as children's protective services.

Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by the Dearborn Heights Housing Commission.

In cases where domestic violence played a role, the standard used for verification will be the same as that required for the "displaced due to domestic violence" preference.

4.5 *FAMILIES NEARING THE TOP OF THE WAITING LIST*

When a family appears to be within 2 months of being offered assistance, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on

the waiting list. The Dearborn Heights Housing Commission must notify the family in writing of this determination, and give the family the opportunity for an informal review.

Once the preference has been verified the family will complete a full application, present Social Security Number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

4.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The Dearborn Heights Housing Commission will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the Dearborn Heights Housing Commission will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

4.7 PURGING THE WAITING LIST

The Dearborn Heights Housing Commission will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Commission to update the information regarding address, family composition, income category and preferences.

4.8 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Dearborn Heights Housing Commission will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;
or
- C. The applicant does not meet either the eligibility or screening criteria for the program.

4.9 GROUNDS FOR DENIAL

The Dearborn Heights Housing Commission will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;
- E. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants, staff, or persons residing in the immediate vicinity or cause damage to the property.
- F. Currently owes rent or other amounts to any Housing Commission in connection with the public housing or Section 8 Programs.
- G. Have committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- H. Have a family member who was evicted from assisted housing within three years of the projected date of admission because of drug-related criminal activity involving the illegal manufacture, sale, distribution, or possession with the intent to manufacture, sell, distribute a controlled substance as defined in Section 102 of the Controlled Substances Act, 21 U.S.C. 802;
- I. Have a household member who is currently engaging in illegal use of a drug, or have a family member who is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The Dearborn Heights Housing Commission may waive this requirement if:
 - 1. The person demonstrates to the Dearborn Heights Housing Commission's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 - 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;

- 3. The person has otherwise been rehabilitated successfully; or
- 4. The person is participating in a supervised drug or alcohol rehabilitation program.
- J. Have engaged in or threatened abusive or violent behavior towards any Dearborn Heights Housing Commission staff member or resident;
- K. Have a family household member who has been terminated under the Certificate or Voucher Program during the last three years;
- L. Have a family member who has been convicted of manufacturing or producing methamphetamine (speed) (Denied for life);
- M. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life).
- N. Are a welfare-to-work (WTW) family who fails to fulfill its obligations under the welfare-to-work voucher program.

For purposes of this section, a household member is “currently engaged in” criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

If the Dearborn Heights Housing Commission proposes to deny admission for criminal activity as shown by a criminal record, the Dearborn Heights Housing Commission will provide the subject of the record and the applicant with a copy of the criminal record. The Dearborn Heights Housing Commission will give the family an opportunity to dispute the accuracy and relevance of that record, in the procedures for the Informal Review Process for Applicants.

4.10 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Dearborn Heights Housing Commission, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Dearborn Heights Housing Commission's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Dearborn Heights Housing Commission will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Dearborn Heights Housing Commission will verify that there is in fact a disability and that the

accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.11 *INFORMAL REVIEW*

If the Dearborn Heights Housing Commission determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Dearborn Heights Housing Commission will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Dearborn Heights Housing Commission will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 *WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS*

The Housing Commission may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Dearborn Heights Housing Commission will use the assistance for those families.

5.2 *PREFERENCES*

Consistent with the Dearborn Heights Housing Commission Agency Plan, the Dearborn Heights Housing Commission will select families based on the following preferences based on local housing needs and priorities.

- A. Applicants with an adult family member enrolled in a employment training program or currently working full-time, or attending school on a full-time basis, or a combination of part-time work schedule and part-time school credit hours. This preference is also extended equally to all elderly families and all families whose head or spouse is receiving income based on their inability to work.
- B. Residency preference for families who live, work, or have been hired to work or who are attending school in the jurisdiction.
- C. Veteran Preference – Honorably discharged from any branch of the service.

- D. Families with at least one adult who is employed and has been employed for 6 months. This preference is extended equally to elderly families or families who head or spouse is receiving income based on their ability to work.
- E. All other applicants who do not meet the definitions in the other preference categories.

The Dearborn Heights Housing Commission will not deny a local preference, nor otherwise exclude or penalize a family in admission to the program, solely because the family resides in public housing.

5.3 *SELECTION FROM THE WAITING LIST*

All preferences are weighted equally. However, families may qualify for more than one preference. Families with the highest number of preferences will be selected before families with fewer preferences.

The date and time of application will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is agreed to by HUD), the Dearborn Heights Housing Commission retains the right to skip higher income families on the waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Commission will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The Dearborn Heights Housing Commission will issue a voucher for a particular bedroom size – the bedroom size is a factor in determining the family's level of assistance. The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	6	8
5	6	10
6	8	12

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Dearborn Heights Housing Commission will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school or temporarily in foster-care.

Bedroom size will also be determined using the following guidelines:

- A. Children of the same sex will share a bedroom.
- B. Children of the opposite sex will not share a bedroom.
- C. Live-in aides will get a separate bedroom.

The Dearborn Heights Housing Commission will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary.

The family unit size will be determined by the Dearborn Heights Housing Commission in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

6.1 BRIEFING

When the Dearborn Heights Housing Commission selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a voucher the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Commission will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Commission will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;
- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Housing Commission's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Housing Commission's jurisdiction under portability, an explanation of how portability works;
- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families; and
- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard.

6.2 PACKET

During the briefing, the Housing Commission will give the family a packet covering at least the following subjects:

- A. The term of the voucher and the Housing Commission's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Housing Commission determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard, exception payment standard rent areas, and the utility allowance schedule;
- D. How the Housing Commission determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Commission's jurisdiction, the packet includes an explanation of how portability works;
- F. The HUD-required tenancy addendum that provides the language that must be included in any assisted lease, and a sample contract;
- G. The request for approval of the tenancy form and an explanation of how to request Housing Commission approval of a unit;
- H. A statement of the Housing Commission's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Commission to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses. Upon request, the Housing Commission will also supply any factual information or third party verification relating to the applicant's history as a tenant or their ability to comply with material standard lease terms or any history of drug trafficking, drug-related criminal activity or any violent criminal activity;
- I. The Housing Commission's subsidy standards, including when the Housing Commission will consider granting exceptions to the standards;
- J. The HUD brochure on how to select a unit ("A Good Place to Live");
- K. The HUD-required lead-based paint brochure;
- L. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right," and a copy of the housing discrimination complaint form;

- M. A list of landlords or other parties known to the Dearborn Heights Housing Commission who may be willing to lease a unit to the family or help the family find a unit;
- N. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the Dearborn Heights Housing Commission that may be available;
- O. The family's obligations under the program;
- P. The grounds upon which the Housing Commission may terminate assistance because of the family's action or inaction;
- Q. Dearborn Heights Housing Commission informal hearing procedures, including when the Housing Commission is required to provide the opportunity for an informal hearing, and information on how to request a hearing; and
- R. The Dearborn Heights Housing Commission owner information brochure. This brochure can be given by the applicant to a prospective owner to help explain the program.

6.3 *ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY*

Beginning October 1, 1999, the Dearborn Heights Housing Commission will issue only vouchers. Treatment of previously issued certificates and vouchers will be dealt with as outlined in Section 22.0 Transition to the New Housing Choice Voucher Program.

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the Dearborn Heights Housing Commission will issue the voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a proposed lease, the HUD required tenancy addendum and the request for approval of the tenancy form. The terms of the HUD tenancy addendum shall prevail over any other provisions of the lease. The family will submit the proposed lease and the request form to the Housing Commission during the term of the voucher. The Housing Commission will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Commission may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Commission will schedule an appointment to inspect the unit within 15 days after the receipt of inspection request from the family and owner. The 15-day period is suspended during any period the unit is unavailable for inspection. The

Housing Commission will promptly notify the owner and the family whether the unit and tenancy are approvable.

During the initial stage of qualifying the unit, the Housing Commission will provide the prospective owner with information regarding the program. Information will include Housing Commission and owner responsibilities for screening and other essential program elements. The Housing Commission will provide the owner with the family's current and prior address as shown in the Housing Commission records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by a prospective owner, the Housing Commission will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with standard material lease terms.

6.4 *TERM OF THE VOUCHER*

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Commission may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Commission will grant the length of request sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Commission will grant an extension allowing the family the full 120 days search time. If the Housing Commission determines that additional search time would be a reasonable accommodation, the Housing Commission will request HUD to approve an additional extension.

Upon submittal of a completed request for approval of tenancy form, the Dearborn Heights Housing Commission will suspend the term of the voucher. The term will be in suspension until the date the Housing Commission provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Commission is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Commission finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the

Housing Commission's action on the second submittal. No more than two requests will be concurrently considered.

6.5 *APPROVAL TO LEASE A UNIT*

The Dearborn Heights Housing Commission will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Commission and passes HQS;
- C. The lease is approvable and includes the following;
 - 1. The names of the owner and the tenant;
 - 2. The address of the unit rented;
 - 3. The term of the lease (initial term and any provisions for renewal;
 - 4. The amount of the monthly rent to owner;
 - 5. A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family; and
 - 6. The required HUD tenancy addendum.
- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- F. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Commission; and
- G. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Commission will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Commission to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Commission HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;

- C. The landlord and tenant sign the lease to include the HUD required addendum; and
- D. The Housing Commission approves the leasing of the unit.

The Housing Commission will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Commission will execute the contract. The Housing Commission will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Housing Commission will not pay housing assistance to the owner.

6.6 DEARBORN HEIGHTS HOUSING COMMISSION DISAPPROVAL OF OWNER

The Housing Commission will deny participation by an owner at the direction of HUD. The Housing Commission will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- E. The owner has a history or practice of renting units that fail to meet State or local codes;
- F. The owner has not paid State or local real estate taxes, fines, or assessments;

- G. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by tenants, Dearborn Heights Housing Commission employees or owner employees; or
 - 2. residences by neighbors;
- H. If the owner is the parent, child, grandparent, grandchild, sister, or brother or any member of the family of an applicant seeking the initial use of a voucher (currently shopping) unless the Dearborn Heights Housing Commission determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities; or
- I. Other conflicts of interest under Federal, State, or local law.

6.7 *INELIGIBLE/ELIGIBLE HOUSING*

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The Dearborn Heights Housing Commission will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing
- B. Group homes
- C. Shared housing
- D. Cooperative housing
- E. Single room occupancy housing

The Dearborn Heights Housing Commission will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants. The maximum allowable security deposit is one and one-half month's contract rent.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

Participating families are allowed to move to another unit after the initial 12 months has expired, if the landlord and the participant have mutually agreed to terminate the lease, or if the Housing Commission has terminated the HAP contract. The Dearborn Heights Housing Commission will issue the family a new voucher if the family does not owe the Dearborn Heights Housing Commission or any other Housing Commission money, has not violated a Family Obligation, has not moved or been issued a certificate or voucher within the last 12 months, and if the Dearborn Heights Housing Commission has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement will be waived.

7.1 *WHEN A FAMILY MAY MOVE*

For families already participating in the Certificate and Voucher Program, the Dearborn Heights Housing Commission will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated;
- B. The owner has given the tenant a notice to vacate, has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant (The Dearborn Heights Housing Commission will not continue assistance to the family if the eviction is due to violating the Family Obligations); or
- C. The tenant has given notice of lease termination (if the tenant has a right to terminate the lease on notice to the owner).

7.2 *PROCEDURES REGARDING FAMILY MOVES*

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the Dearborn Heights Housing Commission's jurisdiction, will be required to attend a mover's briefing prior to the Dearborn Heights Housing Commission entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;

- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard;
- E. Portability requirements and opportunities;
- F. The need to have a reexamination conducted within 120 days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the Dearborn Heights Housing Commission's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Dearborn Heights Housing Commission a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the Dearborn Heights Housing Commission will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the Dearborn Heights Housing Commission, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 *GENERAL POLICIES OF THE DEARBORN HEIGHTS HOUSING COMMISSION*

A family whose head or spouse has a domicile (legal residence) or works in the jurisdiction of the Dearborn Heights Housing Commission at the time the family first submits its application for participation in the program to the Dearborn Heights Housing Commission may lease a unit anywhere in the jurisdiction of the Dearborn Heights Housing Commission or outside the Dearborn Heights Housing Commission jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the Dearborn Heights Housing Commission at the time of its application, the family will not have any right to lease a unit outside of the Dearborn Heights Housing Commission jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Dearborn Heights Housing Commission.

Families participating in the Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the Dearborn Heights Housing Commission allow a participant to improperly break a lease. Under extraordinary circumstances the Dearborn Heights Housing Commission may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Section 8 Program is being administered.

For income targeting purposes, the family will count towards the initial Housing Commission's goals unless the receiving Housing Commission absorbs the family. If absorbed, the admission will count towards the receiving Housing Commission's goals.

If a family has moved out of their assisted unit in violation of the lease, the Dearborn Heights Housing Commission will not issue a voucher, and will terminate assistance in compliance with Section 17.0, Termination of the Lease and Contract.

8.2 *INCOME ELIGIBILITY*

- A. A family must be income-eligible in the area where the family first leases a unit with assistance in the Voucher Program.

- B. If a portable family is already a participant in the Initial Housing Commission's Voucher Program, income eligibility is not re-determined.

8.3 *PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING COMMISSION*

- A. When a family utilizes portability to move to an area outside the Initial Housing Commission jurisdiction, another Housing Commission (the Receiving Housing Commission) must administer assistance for the family if that Housing Commission has a tenant-based program covering the area where the unit is located.
- B. A Housing Commission with jurisdiction in the area where the family wants to lease a unit must issue the family a voucher. If there is more than one such Housing Commission, the Initial Housing Commission may choose which Housing Commission shall become the Receiving Housing Commission.

8.4 *PORTABILITY PROCEDURES*

- A. When the Dearborn Heights Housing Commission is the Initial Housing Commission:
 - 1. The Dearborn Heights Housing Commission will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
 - 2. The Dearborn Heights Housing Commission will determine whether the family is income-eligible in the area where the family wants to lease a unit (if applicable).
 - 3. The Dearborn Heights Housing Commission will advise the family how to contact and request assistance from the Receiving Housing Commission.
 - 4. The Dearborn Heights Housing Commission will, within ten (10) calendar days, notify the Receiving Housing Commission to expect the family.
 - 5. The Dearborn Heights Housing Commission will immediately mail to the Receiving Housing Commission the most recent HUD Form 50058 (Family Report) for the family, and related verification information.
- B. When the Dearborn Heights Housing Commission is the Receiving Housing Commission:
 - 1. When the portable family requests assistance from the Dearborn Heights Housing Commission, the Dearborn Heights Housing Commission will

within ten (10) calendar days inform the Initial Housing Commission whether it will bill the Initial Housing Commission for assistance on behalf of the portable family, or absorb the family into its own program. When the Dearborn Heights Housing Commission receives a portable family, the family will be absorbed if funds are available and a voucher will be issued.

2. The Dearborn Heights Housing Commission will issue a voucher to the family. The term of the Dearborn Heights Housing Commission's voucher will not expire before the expiration date of any Initial Housing Commission's voucher. The Dearborn Heights Housing Commission will determine whether to extend the voucher term. The family must submit a request for tenancy approval to the Dearborn Heights Housing Commission during the term of the Dearborn Heights Housing Commission's voucher.
3. The Dearborn Heights Housing Commission will determine the family unit size for the portable family. The family unit size is determined in accordance with the Dearborn Heights Housing Commission's subsidy standards.
4. The Dearborn Heights Housing Commission will within ten (10) calendar days notify the Initial Housing Commission if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the voucher.
5. If the Dearborn Heights Housing Commission opts to conduct a new reexamination, the Dearborn Heights Housing Commission will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility.
6. In order to provide tenant-based assistance for portable families, the Dearborn Heights Housing Commission will perform all Housing Commission program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Commission or the Dearborn Heights Housing Commission may make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.
7. The Dearborn Heights Housing Commission may deny or terminate assistance for family action or inaction in accordance with 24 CFR 982.552 and 24 CFR 982.553.

C. Absorption by the Dearborn Heights Housing Commission

1. If funding is available under the consolidated ACC for the Dearborn Heights Housing Commission's Voucher Program when the portable family is received, the Dearborn Heights Housing Commission will absorb the family into its Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the Dearborn Heights Housing Commission's Tenant-Based Program.

D. Portability Billing

1. To cover assistance for a portable family, the Receiving Housing Commission may bill the Initial Housing Commission for housing assistance payments and administrative fees. The billing procedure will be as follows:
 - a. As the Initial Housing Commission, the Dearborn Heights Housing Commission will promptly reimburse the Receiving Housing Commission for the full amount of the housing assistance payments made by the Receiving Housing Commission for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Commission's program is determined in the same manner as for other families in the Receiving Housing Commission's program.
 - b. The Initial Housing Commission will promptly reimburse the Receiving Housing Commission for 80% of the Initial Housing Commission's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Commission. If both Housing Authorities agree, we may negotiate a different amount of reimbursement.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Commission that has not absorbed the family, the Housing Commission in the new jurisdiction to which the family moves becomes the Receiving Housing Commission, and the first Receiving Housing Commission is no longer required to provide assistance for the family.

9.0 DETERMINATION OF FAMILY INCOME

9.1 *INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME*

To determine annual income, the Dearborn Heights Housing Commission counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Dearborn Heights Housing Commission subtracts all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 *INCOME*

A. Annual income means all amounts, monetary or not, that:

1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
3. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Dearborn Heights Housing Commission believes that past income is the best available indicator of expected future income, the Dearborn Heights Housing Commission may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

B. Annual income includes, but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal

property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.

4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
6. Welfare assistance.
 - a. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

7. Imputed welfare income

- a. A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the Dearborn Heights Housing Commission by the welfare agency), plus the total amount of other annual income.
- b. At the request of the Dearborn Heights Housing Commission, the welfare agency will inform the Dearborn Heights Housing Commission in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Dearborn Heights Housing Commission of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Dearborn Heights Housing Commission will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Dearborn Heights Housing Commission by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The Dearborn Heights Housing Commission will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a participant is not satisfied that the Dearborn Heights Housing Commission has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Dearborn Heights Housing Commission denies the family's request to modify such amount, then the Dearborn Heights Housing Commission shall give the resident written notice of such denial, with a brief explanation of the basis for the Dearborn Heights Housing Commission's determination of the amount of imputed welfare income. The Dearborn Heights Housing Commission's

notice shall also state that if the resident does not agree with the determination, the resident may contest the decision in accordance with our informal review policy.

8. Relations with welfare agencies
 - a. The Dearborn Heights Housing Commission will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Dearborn Heights Housing Commission written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
 - b. The Dearborn Heights Housing Commission is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the agency. However, the Dearborn Heights Housing Commission is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
 - c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Dearborn Heights Housing Commission shall rely on the welfare agency notice to the Dearborn Heights Housing Commission of the welfare agency's determination of a specified welfare benefits reduction.
9. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
10. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

9.3 EXCLUSIONS FROM INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses;
- D. Amounts received by the family that is specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Commission or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall

monitoring, lawn maintenance, resident initiative coordination, and serving as a member of the Dearborn Heights Housing Commission's governing board. No resident may receive more than one such stipend during the same period of time;

5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring, or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. Deferred periodic amounts from Supplemental Security Income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
11. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
12. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
13. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits.

These exclusions include:

- a. The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017(b));

- b. Payments to Volunteers under the domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058);

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

In addition, if the participant had not previously reported the proper income, the Dearborn Heights Housing Commission shall do one of the following:
 - 1. Immediately collect the back over paid assistance paid by the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the participant from the program for failure to report income; or
 - 4. Terminate the participant from the program for failure to report income and collect the back over paid assistance paid by the agency.

9.6 COOPERATING WITH WELFARE AGENCIES

The Dearborn Heights Housing Commission will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency.
- B. To provide written verification to the Dearborn Heights Housing Commission concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

10.0 VERIFICATION

The Dearborn Heights Housing Commission will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission.

Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

10.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Dearborn Heights Housing Commission or automatically by another government agency, i.e., the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e., name date of contact, amount received, etc.

When third party verification cannot be obtained, the Dearborn Heights Housing Commission will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the Dearborn Heights Housing Commission has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Dearborn Heights Housing Commission will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/ eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as birth certificate, military ID or military DD 214 Form.)

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Dearborn Heights Housing Commission will make a copy of the individual's INS documentation and place the copy in the file. The Dearborn Heights Housing Commission also will verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Dearborn Heights Housing Commission will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible noncitizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Dearborn Heights Housing Commission determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Dearborn Heights Housing Commission will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security Number they will be required to sign a statement to this effect. The Dearborn Heights Housing Commission will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall up to 60 days to provide the verification. If the individual is at least 62 years of age, they will be given 120 days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within sixty (60) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Commission will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

After October 1, 1999, the Dearborn Heights Housing Commission will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability. Certificates currently held will continue to be honored until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete (see Section 22.0 for additional guidance).

11.2 RENT REASONABLENESS

The Housing Commission will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;

- B. If 60 days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Housing Commission or HUD directs that reasonableness be re-determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Housing Commission will compare the rent for the unit to the rent of comparable units in the same or comparable neighborhoods. The Housing Commission will consider the location, type, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units.

The Housing Commission will maintain current survey information on rental units in the jurisdiction. The Housing Commission will also obtain from landlord associations and management firms the value of the array of amenities.

The Housing Commission will establish minimum base rent amounts for each unit type and bedroom size. To the base the Housing Commission will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Commission to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 MAXIMUM SUBSIDY

The Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the Dearborn Heights Housing Commission and approved by HUD) determines the maximum subsidy for a family.

For a regular tenancy under the Certificate Program, the FMR/exception rent limit is the maximum initial gross rent under the assisted lease. This only applies until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete.

For the Voucher Program, the minimum payment standard will be 90% of the FMR and the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the payment standard may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

The Statute requires that the payment standard be set by the Housing Commission Dearborn Heights Housing Commission at between 90 and 110% of the FMR without HUD's prior approval. The Dearborn Heights Housing Commission will review its determination of the payment standard annually after publication of the FMRs. The Dearborn Heights Housing Commission will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships.

The Dearborn Heights Housing Commission may establish a higher payment standard (although still within 110% of the published fair market rent) as a reasonable accommodation for a family that includes people with disabilities. With approval of the HUD Field Office, the payment standard can go to 120%.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Commission will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Dearborn Heights Housing Commission may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Commission will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

A. For the voucher tenancy, the payment standard for a family is the lower of:

1. The payment standard for the family unit size; or
 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in an exception rent area, the Housing Commission will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
 2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.4.3 Area Exception Rents

In order to help families find housing outside areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Commission may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Commission may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types. The exception payment standard area(s) may not contain more than 50% of the population of the FMR area.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Commission requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

11.5 ASSISTANCE AND RENT FORMULAS

A. Total Tenant Payment

The total tenant payment is equal to the highest of:

1. 10% of the family's monthly income
2. 30% of the family's adjusted monthly income
3. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated; or
4. The Minimum rent
 - (a) If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage.

Plus any rent above the payment standard.

B. Minimum Rent.

The Dearborn Heights Housing Commission has set the minimum rent as \$0. However, if the family requests a hardship exemption, the Dearborn Heights Housing Commission will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Commission can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but

for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

- b. When the family would be evicted because it is unable to pay the minimum rent;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - d. When a death has occurred in the family.
- 2. No hardship. If the Housing Commission determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Commission for the time of suspension.
 - 3. Temporary hardship. If the Housing Commission determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the month following the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Commission will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Commission on the family's behalf during the period of suspension.
 - 4. Long-term hardship. If the Housing Commission determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
 - 5. Appeals. The family may use the informal hearing procedure to appeal the Housing Commission's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Merged Vouchers

- 1. The payment standard is set by the Housing Commission between 90% and 110% of the FMR or higher or lower with HUD approval.
- 2. The participant pays the greater of the Total Tenant Payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.

3. No participant when initially receiving tenant-based assistance on a unit shall pay more than 40% of their monthly-adjusted income if the gross rent exceeds the applicable payment standard.

D. Section 8 Preservation Vouchers

1. Payment Standard

- a. The payment standard is the lower of:
 - i. The payment standard amount for the appropriate family unit size; or
 - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
- b. If the dwelling unit is located in an exception area, the Dearborn Heights Housing Commission will use the appropriate payment standard for the exception area.
- c. During the HAP contract term, the payment standard for the family is the higher of :
 - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
 - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
 - i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.

2. The Dearborn Heights Housing Commission will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The gross rent minus the total tenant payment.

E. Manufactured Home Space Rental: Section 8 Vouchers

1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
2. The space rent is the sum of the following as determined by the Housing Commission:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for tenant paid utilities.
3. The participant pays the rent to owner less the HAP.
4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

F. Rent for Families under the Noncitizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

1. The family was receiving assistance on June 19, 1995;
2. The family was granted continuation of assistance before November 29, 1996;
3. The family's head or spouse has eligible immigration status; and
4. The family does not include any person who does not have eligible status

other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The Dearborn Heights Housing Commission will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Dearborn Heights Housing Commission will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).
3. The prorated tenant rent equals the prorated family share minus the full utility allowance.

11.6 UTILITY ALLOWANCE

The Housing Commission maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Commission uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Commission reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Commission maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Section 8 Department.

The Housing Commission uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Commission subsidy standards).

At each reexamination, the Housing Commission applies the utility allowance from the most current utility allowance schedule.

The Housing Commission will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Commission pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the Dearborn Heights Housing Commission a late payment, agreed to in the Contract and in accordance with generally accepted practices in the Dearborn Heights jurisdiction if the following conditions apply:

- A. It is the owner's practice to charge such penalties for assisted and unassisted tenants; and
- B. The owner also charges such penalties against the tenant for late payment of family rent to the owner.

Late charges will not be paid when the reason for the lateness is attributable to factors beyond the control of the Dearborn Heights Housing Commission.

11.8 CHANGE OF OWNERSHIP

The Dearborn Heights Housing Commission requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Dearborn Heights Housing Commission's rent payment or the address as to where the rent payment should be sent.

In addition, the Dearborn Heights Housing Commission requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The Dearborn Heights Housing Commission may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The Dearborn Heights Housing Commission will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The Dearborn Heights Housing Commission must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family can not be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Commission to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the Dearborn Heights Housing Commission will only schedule one more inspection. If the family misses two inspections, the Dearborn Heights Housing Commission will consider the family to have violated a Family Obligation and their assistance will be terminated.

12.1 TYPES OF INSPECTIONS

There are seven types of inspections the Dearborn Heights Housing Commission will perform:

- A. Initial Inspection - An inspection that must take place to insure that the unit passes HQS before assistance can begin.
- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e., HUD, needing to view the unit.
- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.
- G. Quality Control Inspection - Supervisory inspections on at least 5% of the total number of units that were under lease during the Housing Commission's previous fiscal year.

12.2 OWNER AND FAMILY RESPONSIBILITY

- A. Owner Responsibility for HQS
 - 1. The owner must maintain the unit in accordance with HQS.
 - 2. If the owner fails to maintain the dwelling unit in accordance with HQS, the Dearborn Heights Housing Commission will take prompt and vigorous action to enforce the owner obligations. The Dearborn Heights Housing Commission's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
 - 3. The Dearborn Heights Housing Commission will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Dearborn Heights Housing Commission and the Dearborn Heights Housing Commission verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other

defects the owner must correct the defect within no more than 30 calendar days (or any Dearborn Heights Housing Commission approved extension).

4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, the Dearborn Heights Housing Commission may terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the tenant;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or
 - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family-caused defects, the family must correct the defect within no more than 30 calendar days (or any Dearborn Heights Housing Commission approved extension).
3. If the family has caused a breach of the HQS, the Dearborn Heights Housing Commission will take prompt and vigorous action to enforce the family obligations. The Dearborn Heights Housing Commission may terminate assistance for the family in accordance with 24 CFR 982.552.

I. Lead-based Paint

1. Definitions

- a. Chewable surface: Protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age; for example, protruding corners, window sills and frames, doors and frames, and other protruding woodwork.
- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.
- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.
- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15-19 ug/dl in two consecutive tests 3-4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.
- f. Lead-based paint: A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm^2), or 0.5 % by weight or 5000 parts per million (PPM).

2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead-based paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part), must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.
- d. The Housing Commission may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph 1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.
- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Commission notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section may be delayed for a reasonable time.
- f. The requirements in this paragraph apply to:
 - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);

- ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section.
- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - i. Within the unit;
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the Housing Commission may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior

chewable surfaces in accordance with the methods set out in paragraph k of this Section.

- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
 - i. A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (1) More than 10 square feet on an exterior wall;
 - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
 - (3) More than 10% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
 - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.
 - iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totaling no more than twenty square feet on exterior surfaces.
 - iv. During exterior treatment soil and playground equipment must be protected from contamination.

- v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
- vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- l. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
- m. Prior to execution of the HAP contract, the owner must inform the Housing Commission and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- n. The Housing Commission must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the Housing Commission must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Commission must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a voucher to move.
- o. The Housing Commission must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Commission must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this Section, such chewable surfaces do not have to be tested or treated at any subsequent time.

- p. The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

J. Access

1. Performance Requirement

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirement

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

L. Sanitary Condition

1. Performance Requirement

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

- a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).
- b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992 (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

12.4 EXCEPTIONS TO THE HQS ACCEPTABILITY CRITERIA

The Dearborn Heights Housing Commission will utilize the acceptability criteria as outlined above with applicable State and local codes. Additionally, the Dearborn Heights Housing Commission has received HUD approval to require the following additional criteria:

- A. In each room, there will be at least one exterior window that can be opened and that contains a screen.
- B. Owners will be required to scrape peeling paint and repaint all surfaces cited for peeling paint with 2 coats of non-lead paint. An extension may be granted as a severe weather related item as defined below.
- C. Adequate heat shall be considered to be 68 degrees.
- D. In units where the tenant must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption.

- E. A $\frac{3}{4}$ " overflow pipe must be present on the hot water heater safety valves and installed down to within 6 inches of the floor.

12.5 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

A. Correcting Initial HQS Fail Items

The Dearborn Heights Housing Commission will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 5 working days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the Dearborn Heights Housing Commission to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given up to 10 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item in Section 12.6), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the Dearborn Heights Housing Commission will abate payment and terminate the contract in accordance with Sections 12.7 and 17.0(B)(3).

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the Dearborn Heights Housing Commission will terminate assistance for the family in accordance with Sections 12.2(B) and 17.0(B)(3).

C. Time Frames for Corrections

1. Emergency repair items must be abated within 24 hours.

2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 10 days of the initial inspection.
4. For major repairs, the owner will have up to 30 days to complete.

D. Extensions

At the sole discretion of the Dearborn Heights Housing Commission, extensions of up to 30 days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 60 days after the initial inspection date, the Dearborn Heights Housing Commission will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.6 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water
- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking
- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit

- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety

12.7 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within the required timeframe, the rent for the dwelling unit will be abated.

The initial abatement period will not exceed 30 days. If the corrections of deficiencies are not made within the 30-day timeframe, the abatement will continue until the HAP contract is terminated. When the deficiencies are corrected (within the 30 day timeframe), the Dearborn Heights Housing Commission will end the abatement the day the unit passes inspection. Rent will resume the following day and be paid the first day of the next month.

For tenant caused HQS deficiencies, the owner will not be held accountable and the rent will not be abated. The tenant is held to the same standard and timeframes for correction of deficiencies as owners. If repairs are not completed by the deadline, the Dearborn Heights Housing Commission will send a notice of termination to both the tenant and the owner. The tenant will be given the opportunity to request an informal hearing.

13.0 OWNER CLAIMS FOR DAMAGES, UNPAID RENT, AND VACANCY LOSS AND PARTICIPANT'S ENSUING RESPONSIBILITIES

This Section only applies to HAP contracts in effect before October 2, 1995. Certificates have a provision for damages, unpaid rent, and vacancy loss. Vouchers have a provision for damages and unpaid rent. No vacancy loss is paid on vouchers. No Damage Claims will be processed unless the Dearborn Heights Housing Commission has performed a move-out inspection. Either the tenant or the owner can request the move-out inspection. Ultimately, it is the owner's responsibility to request the move-out inspection if he/she believes there may be a claim.

Damage claims are limited in the following manner:

- A. In the Certificate Program, owners are allowed to claim up to two (2) months contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease.

- B. In the Voucher Program, owners are allowed to claim up to one (1) month contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease. There will be no payment for vacancy losses under the Voucher Program.
- C. No damage claims will be paid under either program effective on or after October 2, 1995.

13.1 OWNER CLAIMS FOR PRE-OCTOBER 2, 1995, UNITS

In accordance with the HAP contract, owners can make special claims for damages, unpaid rent, and vacancy loss (vacancy loss can not be claimed for vouchers) after the tenant has vacated or a proper eviction proceeding has been conducted.

Owner claims for damages, unpaid rent, and vacancy loss are reviewed for accuracy and completeness. Claims are then compared to the move-in and move-out inspections to determine if an actual claim is warranted. No claim will be paid for normal wear and tear. Unpaid utility bills are not an eligible claim item.

The Dearborn Heights Housing Commission will make payments to owners for approved claims. It should be noted that the tenant is ultimately responsible for any damages, unpaid rent, and vacancy loss paid to the owner and will be held responsible to repay the Dearborn Heights Housing Commission to remain eligible for the Section 8 Program.

Actual bills and receipts for repairs, materials, and labor must support claims for damages. The Dearborn Heights Housing Commission will develop a list of reasonable costs and charges for items routinely included on damage claims. This list will be used as a guide.

Owners can claim unpaid rent owned by the tenant up to the date of HAP termination.

In the Certificate Program, owners can claim for a vacancy loss as outlined in the HAP contract. In order to claim a vacancy loss, the owner must notify the Dearborn Heights Housing Commission immediately upon learning of the vacancy or suspected vacancy. The owner must make a good faith effort to rent the unit as quickly as possible to another renter.

All claims and supporting documentation under this Section must be submitted to the Dearborn Heights Housing Commission within thirty (30) days of the move-out inspection. Any reimbursement shall be applied first towards any unpaid rent. No reimbursement may be claimed for unpaid rent for the period after the family vacates.

13.2 PARTICIPANT RESPONSIBILITIES

If a damage claim or unpaid rent claim has been paid to an owner, the participant is responsible for repaying the amount to the Dearborn Heights Housing Commission. This shall be done by either paying the full amount due immediately upon the Dearborn Heights Housing Commission requesting it or through a Repayment Agreement that is approved by the Dearborn Heights Housing Commission.

If the participant is not current on any Repayment Agreements or has unpaid claims on more than one unit, the participant shall be terminated from the program. The participant retains the right to request an informal hearing.

14.0 RECERTIFICATION

14.0.1 CHANGES IN LEASE OR RENT

If the participant and owner agree to any changes in the lease, all changes must be in writing, and the owner must immediately give the Dearborn Heights Housing Commission a copy of the changes. The lease, including any changes, must be in accordance with this Administrative Plan.

Owners must notify the Dearborn Heights Housing Commission of any changes in the amount of the rent at least sixty (60) days before the changes go into effect. Any such changes are subject to the Dearborn Heights Housing Commission determining them to be reasonable.

Assistance shall not be continued unless the Dearborn Heights Housing Commission has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner if any of the following changes are made:

- A. Requirements governing participant or owner responsibilities for utilities or appliances;
- B. In the lease terms governing the term of the lease;
- C. If the participant moves to a new unit, even if the unit is in the same building or complex.

The approval of the Dearborn Heights Housing Commission is not required for changes other than those specified in A, B, or C above.

14.1 ANNUAL REEXAMINATION

At least annually the Dearborn Heights Housing Commission will conduct a reexamination of family income and circumstances. The results of the reexamination

determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The Dearborn Heights Housing Commission will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Dearborn Heights Housing Commission will determine the family's annual income and will calculate their family share.

14.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.1.2 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Dearborn Heights Housing Commission taking action to terminate the family's assistance.

14.2 INTERIM REEXAMINATIONS

During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Dearborn Heights Housing Commission between regular reexaminations. These changes will trigger an interim reexamination.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.
- C. Family break-up

In circumstances of a family break-up, the Dearborn Heights Housing Commission will make a determination of which family member will retain the certificate or voucher, taking into consideration the following factors:

- 1. To whom the certificate or voucher was issued.
- 2. The interest of minor children or of ill, elderly, or disabled family members.
- 3. Whether the assistance should remain with the family members remaining in the unit.
- 4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Dearborn Heights Housing Commission will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Dearborn Heights Housing Commission will make determinations on a case by case basis.

The Dearborn Heights Housing Commission will issue a determination within 10 business days of the request for a determination. The family member requesting the

determination may request an informal hearing in compliance with the informal hearings in Section 16.3.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for applicants. The Dearborn Heights Housing Commission will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Dearborn Heights Housing Commission will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Dearborn Heights Housing Commission will take timely action to process the interim reexamination and recalculate the family share.

14.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the Dearborn Heights Housing Commission may schedule special reexaminations every 30 days until the income stabilizes and an annual income can be determined.

14.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE DEARBORN HEIGHTS HOUSING COMMISSION

The Housing Commission may at any time terminate program assistance for a participant, because of any of the following actions or inaction by the household:

- A. If the family violates any family obligations under the program.
- B. If a family member fails to sign and submit consent forms.
- C. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the Dearborn Heights Housing Commission determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.
- D. If any member of the family has ever been evicted from public housing.
- E. If the Housing Commission has ever terminated assistance under the Certificate or Voucher Program for any member of the family.

- I. If the family has not reimbursed any Housing Commission for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

- J. If the family breaches an agreement with the Housing Commission to pay amounts owed to a Housing Commission or amounts paid to an owner by a Housing Commission. (The Housing Commission, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a Housing Commission or amounts paid to an owner by a Housing Commission. The Housing Commission may prescribe the terms of the agreement.)
- K. If a family participating in the FSS program fails to comply, without good cause, with the family's FSS contract of participation.
- L. If the family has engaged in or threatened abusive or violent behavior toward Housing Commission personnel.
- M. If any household member is subject to a lifetime registration requirement under a State sex offender registration program.
- N. If any household member is currently engaging in the illegal use of a drug; or if a household member's illegal use (or pattern of illegal use) of a controlled substance, or whose abuse (or pattern of abuse) of alcohol, is determined by the Dearborn Heights Housing Commission to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- O. Any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

For purposes of this section, the Dearborn Heights Housing Commission may terminate assistance for criminal activity by a household member as authorized in this section if the Dearborn Heights Housing Commission determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted of such activity.

If the Dearborn Heights Housing Commission proposes to terminate assistance for criminal activity as shown by a criminal record, the Dearborn Heights Housing Commission will notify the household of the proposed action to be based on the information and must provide the subject of the record and the tenant with a copy of the criminal record. The Dearborn Heights Housing Commission will give the family an opportunity to dispute the accuracy and relevance of that record in accordance with the procedures established for the Informal Hearing for Participants.

16.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

16.1 COMPLAINTS

The Dearborn Heights Housing Commission will investigate and respond to complaints by participant families, owners, and the general public. 16.2 INFORMAL REVIEW FOR THE APPLICANT

A. Informal Review for the Applicant

The Dearborn Heights Housing Commission will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the Dearborn Heights Housing Commission decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The Dearborn Heights Housing Commission will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the Dearborn Heights Housing Commission subsidy standards.
2. A Dearborn Heights Housing Commission determination not to approve an extension or suspension of a certificate or voucher term.
3. A Dearborn Heights Housing Commission determination not to grant approval to lease a unit under the program or to approve a proposed lease.

2. The applicant will be given an opportunity to present written or oral objections to the Dearborn Heights Housing Commission decision.
3. The Dearborn Heights Housing Commission will notify the applicant of the Dearborn Heights Housing Commission decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Commission may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Commission may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Commission may permit the other members of a participant family to continue receiving assistance.

If the Housing Commission seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Commission provides notice to the family of the Housing Commission determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Dearborn

Heights Housing Commission will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or

The applicant family must make this request within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

16.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

6. Effect of the Decision

The Dearborn Heights Housing Commission is not bound by a hearing decision:

Concerning a matter for which the Dearborn Heights Housing Commission is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the Dearborn Heights Housing Commission hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the Dearborn Heights Housing Commission determines that it is not bound by a hearing decision, the Dearborn Heights Housing Commission will notify the family within 14 calendar days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Commission may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Commission may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Commission may permit the other members of a participant family to continue receiving assistance.

If the Housing Commission seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of

alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Commission provides notice to the family of the Housing Commission determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Dearborn Heights Housing Commission will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or

This request must be made by the participant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

17.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the Dearborn Heights Housing Commission. Under some circumstances the contract automatically terminates.

A. Termination of the Lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the Dearborn Heights Housing Commission after the initial lease term. The length of the notice that is required is stated in the lease (generally 30 days).

2. By the owner

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in a criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

If the law and regulation permit the owner to take an action but do not require action to be taken, the owner may take or not take the action in accordance with the owner's standards for eviction. The owner may consider all of the circumstances relevant to a particular eviction case, such as:

- a. The seriousness of the offending action;
- b. The effect on the community of denial or termination or the failure of the owner to take such action;
- c. The extent of participation by the leaseholder in the offending action;
- d. The effect of denial of admission or termination of tenancy on household members not involved in the offending activity;
- e. The demand for assisted housing by families who will adhere to lease responsibilities;
- f. The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- g. The effect of the owner's action on the integrity of the program.

The owner may require a tenant to exclude a household member in order to continue to reside in the assisted unit, where that household member has

participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of assistance actions must be consistent with fair housing and equal opportunity provision of 24 CFR 5.105.

- a. The owner may terminate the lease during its term on the following grounds:
 - i. Serious or repeated violations of the terms or conditions of the lease;
 - ii. Violation of Federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the unit and its premises;
 - iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons (including property management staff) residing on the premises or in the immediate vicinity of the premises;
 - iv. Any drug-related or violent criminal activity engaged in on or near the premises by any tenant, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control, is grounds for the owner to terminate tenancy;
 - v. Any violent criminal activity on or near the premises by a tenant, household member, or guest, or any such activity on the premises by any other person under the tenant's control.

- vi. When the owner determines that a household member is illegally using a drug or when the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- vii. If a tenant is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or violating a condition of probation or parole imposed under Federal or State law.
- viii. If the tenant is violating a condition of probation or parole imposed under Federal or State law.
- ix. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
- c. The owner may only evict the tenant by instituting court action after or simultaneously providing written notice to the participant specifying the grounds for termination. The owner must give the Dearborn Heights Housing Commission a copy of any owner eviction notice to the tenant at the same time that the owner gives the notice to the tenant.
- d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.

3. By mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

B. Termination of the Contract

1. Automatic termination of the contract

- a. If the Dearborn Heights Housing Commission terminates assistance to the family, the contract terminates automatically.
- b. If the family moves out of the unit, the contract terminates automatically.
- c. 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with lease and State and local law.

3. Termination of the HAP contract by the Dearborn Heights Housing Commission

The Housing Commission may terminate the HAP contract because:

- a. The Housing Commission has terminated assistance to the family.

- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.
- c. The unit is larger than appropriate for the family size or composition under the regular Certificate Program.
- d. When the family breaks up and the Dearborn Heights Housing Commission determines that the family members who move from the unit will continue to receive the assistance.
- e. The Dearborn Heights Housing Commission determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.
- f. The owner has breached the contract in any of the following ways:
 - i. If the owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit in accordance with the HQS.
 - ii. If the owner has violated any obligation under any other housing assistance payments contract under Section 8 of the 1937 Act.
 - iii. If the owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program.
 - iv. For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement;
 - v. If the owner has engaged in drug related criminal activity or any violent criminal activity.
- g. If a welfare-to-work family fails to fulfill its obligations under the welfare-to-work voucher program.

4. Final HAP payment to owner

The HAP payment stops when the lease terminates. The owner may keep the payment for the month in which the family moves out. If the owner has begun eviction proceedings and the family continues to occupy the unit, the Housing Commission will continue to make payments until the owner obtains a judgment or the family moves out.

18.0 CHARGES AGAINST THE SECTION 8 ADMINISTRATIVE FEE RESERVE

All expenditures from the administrative fee reserve will be approved by the Dearborn Heights Housing Commission Board of Commissioners or the Executive Director as mandated by the procurement policy and made in accordance with the approved budget.

19.0 INTELLECTUAL PROPERTY RIGHTS

No program receipts may be used to indemnify contractors or subcontractors of the Dearborn Heights Housing Commission against costs associated with any judgment of infringement of intellectual property rights.

20.0 DEARBORN HEIGHTS HOUSING COMMISSION OWNED HOUSING

 - D. The Dearborn Heights Housing Commission will compensate the independent agency/agencies from our ongoing administrative fee income.

21.0 QUALITY CONTROL OF SECTION 8 PROGRAM

In order to maintain the appropriate quality standards for the Section 8 program, the Dearborn Heights Housing Commission will annually review files and records to determine if the work documented in the files or records conforms to program requirements. This shall be accomplished by a supervisor or another qualified person other than the one originally responsible for the work or someone subordinate to that person. The number of files and/or records checked shall be at least equal to the number specified in the Section 8 Management Assessment Program for our size Housing Commission.

Among the areas that shall have quality control reviews are the following:

Objective: The Dearborn Housing Commission shall speak to at least three civic, religious, or fraternal groups a year between now and December 31, 2004, to explain how important they are to the community.

Objective: The Dearborn Housing Commission shall ensure that there are at least two positive stories a year in the local media about the housing authority or one of its residents.

Progress: The Dearborn Heights Housing Commission's program is Section 8 tenant-based vouchers only. Unsuccessful attempts have been made to have present clients allow us the use their stories/names/facts to advertise the program. They want their identity protected. The Dearborn Heights Housing Commission will pursue this goal softly. It may not be possible.

Outside sources that have been contacted about this program have been the service clubs and churches. When the waiting list was opened for one day on August 3, 2001, over 8,000 potential clients placed an application. It is obvious that our outreach has worked.
